GUIDELINES FOR WRITING THE ASSIGNMENT

In writing/recording the assignment, focus on the following three steps:

(a) Planning: Think out what you are asked carefully. Go through the notes and other materials provided by the teacher and in case you want any additional material, try to locate online. It is necessary to plan how to arrange your thoughts precisely.

(b) Selection: This means picking out from your material the matter important for answering your question. For this you need to look over the study materials carefully and leave the information not directly relevant to the question. This will give you an idea finally what you want to write or record in your video for the final answer.

(c) Presentation: This is important for putting down or recording your ideas in a sharp and clear manner. Please check after writing or recording whether you have included all your ideas in writing or the video.
